1. Close your eyes. Sit comfortably and relax.
2. Focus on your heart. Feel your heart as the center of your being surrounded by the Kingdom of Heaven.
3. Feel Christ presence in your heart. Feel one at a time the essence of joy, health, strength, vitality, **peace**, power, prosperity, light, life, love, and kindness. (*5 minutes*)
4. Be passive. Just relax. Don't think or feel anything. Allow the Christ spirit to fill your being. (*2 minutes*)
5. Practice the Devotion for 40 straight nights.

Be aware of the positive changes happening in your life anytime within your 40-day devotion. **You** may want to make this devotion a **permanent** nightly habit to accumulate more merits and to activate more the power of Christ Spirit within you.

The Peace Prayer of St. Francis

(To be said anytime with intent by anyone wanting to promote and bring about greater peace in these trying and turbulent times)

Lord, make me an instrument of your peace

*Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is error, truth;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, **Joy**.*

O Divine Master, grant that I may not so much seek

*To be consoled, as to console;
To be understood, as to understand;
To be loved, as to love;
For it is in giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life. Amen!*

"All we are saying is: give peace a chance." - John Lennon
